

LEGISLATIVE SESSION

Mr. SCHUMER. Madam President, I move to proceed to legislative session. The PRESIDING OFFICER. The question is on the motion. The motion was agreed to.

MORNING BUSINESS

Mr. SCHUMER. Madam President, I ask unanimous consent that the Senate be in a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

RECOGNIZING OFFICER JACOB CARLSON

Ms. LUMMIS. Madam President, I rise to honor the true heroism of Officer Jacob Carlson of the Casper, WY, police department. On May 6, 2018, Officer Carlson risked his life to save his fellow officer and the lives of several young children when a routine traffic stop turned deadly. Every day, police officers must remain vigilant because, as we have seen, even routine enforcement actions can go sideways at a moment's notice. That happened to Officer Carlson, and his actions speak to his character. He put his life on the line to protect his fellow officer and his community. His courage is inspiring, and I am proud to call him a son of Wyoming. For this action, Officer Carlson has been awarded the Congressional Badge of Bravery, and it is a badge he earned.

His years of service and dedication to the Casper Police Department were cut short by what happened, but Officer Carlson's career of service as a police officer and former service in the U.S. Army is a legacy for which he can be proud.

Officer Carlson is a remarkable example of the highest caliber of law enforcement professionals. He is the hero we describe when we teach our children and grandchildren about the police officers who protect our communities.

Officers such as Officer Carlson who protect our great State reinforce my belief that Wyoming truly is the best State in the Nation. When Americans want to see an example of how police officers should comport themselves, they can look upon Wyoming as the shining example. Officer Carlson's actions on May 6, 2018, exemplify why.

The State of Wyoming is blessed to have not only one brave officer deserving of this honor. The second officer is one of the people Officer Carlson protected in the face of adversity, Officer Randi Garrett, whose courage and heroism was also on display that day, is equally deserving and will be honored with a Congressional Badge of Bravery.

My sincere thanks to Officer Carlson for making Casper and the State of Wyoming one of the greatest, safest places to live.

RECOGNIZING OFFICER RANDI GARRETT

Ms. LUMMIS. Madam President, I rise to honor Officer Randi Garrett, whose experience and skill and whose strong character helped save lives on May 6, 2018.

Not only did Officer Garrett act with poise under intense pressure when a routine traffic stop turned violent, but while in immediate and real danger, she kept her focus on her mission, and helped to save the lives of two innocent children and the life of a fellow officer because of it. I shudder at the thought of what might have happened had Officer Garrett not acted with speed and purpose. Officer Garrett has been awarded the Congressional Badge of Bravery for her actions, and I am so proud of her for it.

Officer Garrett is a shining example of what steadfast commitment, leadership and decisionmaking under pressure looks like. It is because of officers like Randi that the people of Casper can feel safe and secure in their community.

As we approach the third anniversary of Officer Randi Garrett's heroism, I know that her acts that day won't be forgotten by the Casper community and by those whose lives she helped to save. For without them, it is unknown the tragedies that may have occurred. Instead, she serves as an example today to every young woman and girl interested in serving their community as an officer. I can think of no better example for young women across the State of Wyoming to aspire to.

Now, as she receives the Congressional Badge of Bravery, I hope it serves as a reminder of a day when her courage was called upon and she answered. This prestigious award is also being given to her counterpart who was there with her that day, Officer Jacob Carlson. Just as they faced danger together, this badge acts as yet another bond that the two of them will continue to share.

My sincere thanks to Officer Garrett for her continued service and dedication to the city of Casper and our great State.

ADDITIONAL STATEMENTS

RECOGNIZING THE KENTUCKY MUSIC HALL OF FAME AND MUSEUM

• Mr. PAUL. Madam President, Kentucky has a rich cultural history and is the birthplace of musical artists from every genre and era. Proudly showcasing this heritage is the Kentucky Music Hall of Fame & Museum in Mount Vernon, KY.

John Lee Lair, who served as a sergeant in the U.S. Army during WWII, returned to the States and joined WLS radio in Chicago, where he turned his lifelong love of music into a career. He founded the Renfro Valley Barn Dance, which was broadcast by several power-

ful AM stations and eventually moved to its final home in Renfro Valley, KY.

Today we honor one of John Lair's three daughters, Ann Lair Henderson, who developed the plan to house the hall of fame and museum in the family's vintage horse stable. Following an act of the Kentucky General Assembly in 2002, this special tribute to Kentucky's storied musicians was born.

The iconic building, which is listed on the National Register of Historic Places, is filled with memorabilia and tributes to over 60 artists as diverse as Rosemary Clooney, Ricky Skaggs, Lionel Hampton, Boots Randolph, and Mary Travers. Nearly 20 years since its founding, Ann Lair Henderson, who recently celebrated her 98th birthday, is still a vital part of the organization that helps recognize the enormous contribution of Kentucky's incredible musical talents. We are grateful for Ann's passion for preserving history and for promoting some of the Commonwealth's finest treasures. She is a treasure in her own right to her local community and a great reminder for us all to keep pursuing those things about which we are truly passionate through every season of life. •
